Was the embryo donated in accord with Section II(A) of the NIH Guidelines?

Yes

Select NIH administrative review and provide supporting information required under Section II (A)

No

When was the embryo donated?

Prior to 7-7-2009

Select Working Group of the ACD review and provide supporting information required under Section II(B)

On or after 7-7-2009

Where was the embryo donated?

In the US

If the embryo donation does not meet the standards of Section II(A) of the Guidelines, the cell line is not eligible for listing on the NIH Registry.

Outside the US

Select Working Group of the ACD review and provide supporting information that the alternative procedural standards of the foreign country where the embryo was donated provide protections equivalent to Section II(A)
